FOR SALE.

The Best Paying Business in Globe. As the bank has bought the ground and will build at once, I offer my stock of furniture and household goods for sale. This is an opportunity to engage in a business in which there is no competition. Special inducements offered at retail.

LOS ANGELES AVE. CO. 1-25-4

The Bank of Gila County is at last an established fact, and will be opened in the near future by J. N. Porter and W. F. Holt, the original organization having given way to these gentlemen. Mr. Holt has been in the banking business for the past twelve years. He opened the Bank of Safford and recently disposed of his interest there to Mr. Porter and came to Globe, and being favorably impressed, decided to locate here. He will be the manager of the bank, and from all accounts is a careful, conservative man, entitled to the confidence of the community. The financial responsibility of the bank will be over \$100,000. Work on a building will be commenced soon. Mr. Holt has also purchased a lot for a residence and will move his family here.

A meeting of citizens was held on Tuesday evening to discuss the question of enlarging the court house. Supervisor Barclay stated that only \$12,000 would be available, as that amount added to the present county indebtedness would swell it to the 4 per cent. limit fixed by the Harrison act. As the attendance was small the meeting adjourned without taking any action, to Feb. 6, when it is hoped there will be more taxpayers present, and opinion will be more clearly defined.

Mrs. Alfred Kinney leaves tomorrow morning for the Bryan mines, near Riverside, to arrange for the shipment of ore. There is about 60 tons of ore now ready to send out, and it is Mrs. Kinney's intention to make regular shipment hereafter.

Globe Public Sampling Works.

The above heading speaks for itself. Globe has long needed a sampling works, where the miners and prospectors could have their ores sampled, and also dispose of them in large or small lots for cash. The works will be owned jointly by the F. W. Westmeyer and Geo. S. Andrus, under the firm name of Westmeyer & Andrus, with Mr. Andrus as manager. Mr. Westmeyer needs no introduction to the people of Globe. His name is a synonym for integrity and upright business methods, and a "square deal" is guaranteed by his association with the firm. Mr. Andrus is a mining engineer with an American and German technical education and 20 years practical experience in mining, concentration, assaying and sampling in Colorado.

The firm will sample ores in any quantity, and also purchase lots from 100 pounds to 100 tons. The plant will be located on the corner of Pine and Oak streets and will be ready for business in about two weeks. As soon as the building is completed, Mr. Andrus will remove his assay office to the sampling works.

Married.

Mr. Herbert E. Wilcox of Jerome, Arizona, and Miss R. Mendon, late of Winnemucca, Nev., were married on January 15, at Hotel Burke, Prescott. H. E. Wilcox is well known to all old-timers in Globe, having resided here for a number of years, engaged in silver mining and afterwards, with George Sterrett, conducted the Globe Chronicle. Mr. Wilcox is now associated with G. W. Hull, of Jerome, and is a director in several of the new mining companies opening up the Hull interests. The bride is the daughter of Mr. and Mrs. F. J. Mendon of Sonora, Cal., and a half sister to the late Adolph Arans. She is a lady of many accomplishments, and thoroughly versed in newspaper work, having been for six years on the staff of the Daily Silver State, published at Winnemucca, Nevada. Miss Mendon visited Globe about six years ago and made many friends here. We tender congratulations.

Victor B. Bloom received a telegram from the Bank of California, San Francisco, on Monday, informing him that the six checks stolen from his store on the night of the robbery, were presented for payment, and that the party presenting them escaped before he could be apprehended.

Wm. Mill Williams paid a visit to his copper mines, below Riverside, last week. The Crowe brothers recently completed the assessment work on the property, which shows to good advantage. There is about \$1,500 worth of ore on the dump.

Wm. McDonald died this afternoon of pneumonia. He will be buried Sunday afternoon from the Catholic church under the auspices of the Globe Miners' Union. Members of the union are requested to assemble at Odd Fellows' hall at 1 o'clock p. m.

Mr. Silas Tidwell, one of the old residents of Globe, was stricken with paralysis last Monday morning, and has since been in a critical condition. We are glad to learn that he is very much improved today.

Chas. E. Taylor went to Phoenix yesterday for a week's visit.

Dr. S. B. Claypool and family returned home from Phoenix last Sunday.

A Narrow Escape.

Thankful words written by Mrs. Ada E. Hart, of Groton, S. D. "Was taken with a bad cold which settled on my lungs; cough set in and finally terminated in consumption. Four doctors gave me up, saying I could live but a short time. I gave myself up to my Savior, determined if I could not stay with my friends on earth, I would meet my absent ones above. My husband was advised to get Dr. King's New Discovery for consumption, coughs and colds. I gave it a trial, took in all eight bottles. It has cured me, and thank God, I am saved and now a well and healthy woman." At Hitchcock's drug store. Regular size 50c and \$1. Guaranteed or price refunded.
